

Lani H. Rorrer
President/CEO
Lanmark
Technologies, Inc.
Fairfax, Virginia

Lani H. Rorrer, with more than eight years of experience in the areas of military intelligence and business

management, has grown Lanmark Technologies (LMT), Inc. from a one-woman consulting firm to a multi-million dollar technology business enterprise. LMT is an 8(a) certified, woman-owned, service-disabled veteran-owned, small disadvantaged business, providing IT services, program management oversight to clients in the federal and commercial sectors. LMT's clients include the U.S. Special Operations Command, the U.S. Army, the U.S. Army Corps of Engineers, the Defense Logistics Agency, the Defense Threat Reduction Agency, the Defense Information Systems Agency, the Defense Security Service, the U.S. Department of State, the National Institutes of Health, the Internal Revenue Service; and commercial clients.

Prior to forming LMT, Ms. Rorrer served as a Naval Intelligence Officer in Kaneohe, HI; earned her Observer Wings supporting sensitive reconnaissance missions, and is an acknowledged expert on patrol reconnaissance and tactical intelligence in European, Middle Eastern, and Far Eastern military operations. She also served as Anti-terrorism, Top Secret Control, Foreign Attaché Liaison Officers, and as the Deputy Director for Training Development for Navy and Marine Corps Intelligence personnel.

Ms. Rorrer was recognized in 2005, as one of the Minority Business and Professionals Network, Inc's "Distinguished

Minority Woman in Business," and by The National Association of Professional Asian American Women's as the 2003 Outstanding Small Business. She was profiled in *The Washington Post*, the *Veteran's Business Journal*, and *Minority Enterprise Advocate Magazine*.

Ms. Rorrer is the co-founder and President of the National Association of Veteran-owned Businesses; President of the Asian American Business Roundtable; a staff member of the Veterans for National Security Foundation; a member of the Business Executives for National Security and many other affiliations.

Ms. Rorrer holds a B.S. degree in Mathematics from the U.S. Naval Academy, an M.S degree in Business Administration from the College of William and Mary's, and a Master's Certificate in Government Contracting from George Washington University.
